

DIABETES TECHNOLOGY SOCIETY

Virtual Hospital Diabetes Meeting

AGENDA

(ALL TIMES PACIFIC)

FRIDAY, APRIL 24, 2020

Session 1: Inpatient Management and Perioperative

Moderator

Guillermo Umpierrez, MD
Emory University, Atlanta, Georgia

08:00 Insulin Use in the Hospital (Insulin Dosing)

Amisha Wallia, MD
Northwestern University, Chicago, Illinois

08:20 Non-Insulin Diabetes Agents in the Inpatient Setting

Guillermo Umpierrez, MD
Emory University, Atlanta, Georgia

08:40 Outpatient Preparation for Surgery (Outpatient Programs, Dose Adjustments)

Carlos Mendez, MD, FACP
Medical College of Wisconsin, Milwaukee, Wisconsin

09:00 Intraoperative/PACU Management

Jeffrey Joseph, DO
Thomas Jefferson University, Philadelphia, Pennsylvania

09:20 Panel Discussion

09:40 Break

Session 2: DKA and HHS

Moderator

Robert Rushakoff, MD
UCSF, San Francisco, California

10:05 History of DKA and HHS

Robert Rushakoff, MD
UCSF, San Francisco, California

10:25 DKA and HHS Management and Treatment Protocols in the ER/ICU/Floor

Nadine Palermo, MD
Harvard University, Boston, Massachusetts

10:45 Pitfalls in Management of DKA and HHS

Mary Korytkowski, MD
University of Pittsburgh, Pittsburgh, Pennsylvania

11:05 Diabetes in the Emergency Room

Justin Yan, BSc (Hon), MD, MSc, FRCPC
Western University, London, Ontario, Canada

11:25 Panel Discussion

11:45 Break

Session 3: Computer-Guided Insulin Dosing (Sponsored by Glytec)

Moderator

Amisha Wallia, MD
Northwestern University, Chicago, Illinois

Virtual Hospi+al Diabetes Meeting

FRIDAY, APRIL 24, 2020

12:00 Evaluating a Health System's Glycemic Health and Next Steps

Damon Tanton, MD
AdventHealth Diabetes Institute, Orlando, Florida

12:15 Reducing Critical Hypoglycemia Through Quality Improvement Initiatives and Implementation of an eGlycemic Management System

Debra Dudley, BS, CDE, RN
AdventHealth Waterman, Tavares, Florida

12:30 Utilization of Computer-Guided Insulin Dosing Decreases Hypoglycemia Adverse Drug Events, Length of Stay and Cost of Care at Large Pacific Northwest Health System

Therese Franco, MD, SFHM
CHI Franciscan, Tacoma, Washington

12:45 Break

Session 4: COVID-19 and Diabetes

Moderator

Guillermo Umpierrez, MD
Emory University, Atlanta, Georgia

13:15 Panel Discussion

Shivani Agarwal, MD
Albert Einstein College of Medicine, The Bronx, New York
Carlos Mendez, MD, FACP
Medical College of Wisconsin, Milwaukee, Wisconsin
Robert Rushakoff, MD
UCSF, San Francisco, California
Jane Seley, DNP MPH
NewYork-Presbyterian/Weill Cornell Medicine, New York, New York
Guillermo Umpierrez, MD
Emory University, Atlanta, Georgia

14:35 Break

Session 5: Technology

Moderator

Robert Rushakoff, MD
UCSF, San Francisco, California

15:00 Pumps, Closed-Loop, and DIY

Andjela Drincic, MD
University of Nebraska, Omaha, Nebraska

15:20 CGM Today

Guillermo Umpierrez, MD
Emory University, Atlanta, Georgia

15:40 CGM in the Pipeline

Jeffery Joseph, DO
Thomas Jefferson University, Philadelphia, Pennsylvania

16:00 A Virtual Glucose Management System

Robert Rushakoff, MD
UCSF, San Francisco, California

16:20 Computer-Guided Insulin Dosing

Kristen Kulasa, MD
UCSD, La Jolla, California

16:40 Panel Discussion

17:00 Adjourn

Virtual Hospi+al Diabetes Meeting

SATURDAY, APRIL 25, 2020

Session 6: Hypoglycemia

Moderator

Jane Seley, DNP MPH
NewYork-Presbyterian/Weill Cornell Medicine, New York, New York

08:00 Prediction Models for Inpatient Hypoglycemia

Nestor Mathioudakis, MD
Johns Hopkins University, Baltimore, Maryland

08:20 Implementing a Hypoglycemia Prevention Program

Nadine Palermo, MD
Harvard University, Boston, Massachusetts

08:40 Insulin Safety in the Hospital: Errors Be Gone!

Jane Seley, DNP MPH
NewYork-Presbyterian/Weill Cornell Medicine, New York, New York

09:00 Panel Discussion

09:15 Break

Session 7: Data & Cybersecurity

Moderator

Jane Seley, DNP MPH
NewYork-Presbyterian/Weill Cornell Medicine, New York, New York

9:20 Managing Glucose Data at the Clinical Laboratory

Martha Lyon, PhD
University of Saskatchewan, Saskatoon, Saskatchewan, Canada

9:40 Cybersecurity

David Klonoff, MD
Mills-Peninsula Medical Center, San Mateo, California

10:00 Liability for Software in the Hospital

Tonya G. Newman, JD
Neal, Gerber & Eisenberg LLP, Chicago, Illinois

10:20 Panel Discussion

10:35 Break

Session 8: Special Situations

Moderator

Amisha Wallia, MD
Northwestern University, Chicago, Illinois

11:00 Steroid Use in the Hospital

Felicia Mendelsohn, MD
Weill Cornell Medicine, New York, New York

11:20 Enteral Feeding

Andjela Drincic, MD
University of Nebraska, Omaha, Nebraska

11:40 Transplants

Amisha Wallia, MD
Northwestern University, Chicago, Illinois

12:00 Bariatric Surgery

Erik Dutson, MD
UCLA, Los Angeles, California

12:20 Panel Discussion

12:40 Break

Virtual Hospi+al Diabetes Meeting

SATURDAY, APRIL 25, 2020

Session 9: Glucometrics and Insulinometrics (Debate)

Moderator

Ilias Spanakis, MD
University of Maryland School of Medicine, Baltimore, Maryland

13:45 Glucometrics

Gregory Maynard, MD, MSc, MHM
UC Davis, Sacramento, California

Insulinometrics

Curtiss Cook, MD
Mayo Clinic Scottsdale, Scottsdale, Arizona

14:25 Panel Discussion

14:45 Break

Session 10: Quality & Safety

Moderator

David Kerr, MD
Sansum Diabetes Research Institute, Santa Barbara, California

15:10 Eat Your Medicine

David Kerr, MD
Sansum Diabetes Research Institute, Santa Barbara, California

15:30 How to Design a Quality Improvement Project

Gregory Maynard, MD
UC Davis, Sacramento, California

15:50 Hospital Diabetes Management Programs

Roma Gianchandani, MBBS
University of Michigan, Ann Arbor, Michigan

16:10 Quality and the New Field of Endocrine Hospitalist

Mihail Zilbermint, MD
Johns Hopkins University, Bethesda, Maryland

16:30 Panel Discussion

16:50 Summary

17:00 Adjourn
